

## **HARPREET S. BAJAJ, MD, MPH, ECNU, FACE**

---

*Epidemiologist & Endocrinologist, LMC Diabetes & Endocrinology  
Research Associate, Leadership Sinai Centre for Diabetes, Mount Sinai Hospital, Toronto  
Co-Chair, Marketing and Communication, Professional Section National Executive, Diabetes Canada  
National Consultant Editor, Canadian Journal of Diabetes  
Founder, "STOP Diabetes" Foundation*

Office address: 2130 North Park Drive, Suite 238, Brampton, ON L6S 0C9, Canada  
Email: [harpreet.bajaj@lmc.ca](mailto:harpreet.bajaj@lmc.ca) ~ Tel: (905) 595-0560 ~ Fax: (905) 595-0562

### **INTRODUCTION**

---

A meticulous and compassionate physician for my patients; an enthusiastic and motivational speaker for the public; a focused researcher and a friend for my colleagues; a knowledgeable and likable teacher for my students. I have learnt from each of my eclectic experiences and have evolved into a clinician who can adapt to varied professional situations and can readily apply evidence-based medicine to the benefit of patient care and population prevention efforts alike.

### **EDUCATION**

---

University at Albany SUNY, NY, USA Master of Public Health (MPH), Concentration: Epidemiology Degree awarded: May 2006	Sep. 2002 to May 2004
Maulana Azad Medical College, University of Delhi, India Bachelor of Medicine and Bachelor of Surgery Degree awarded: June 2001	Aug. 1995 to Dec. 1999

### **CLINICAL TRAINING**

---

Cleveland Clinic, Cleveland, OH Clinical Fellowship in Endocrinology, Diabetes and Metabolism	Jul. 2007 to Jun. 2009
Hennepin County Medical Center, Minneapolis, MN Clinical Internship and Residency in Internal Medicine	Jun. 2004 to Jun. 2007

### **APPOINTMENTS**

---

Mount Sinai Hospital, Toronto Research Associate, Leadership Sinai Centre for Diabetes	March 2016 to present
LMC Diabetes & Endocrinology Clinical Epidemiologist & Endocrinologist in Brampton, ON	Jul. 2009 to present

### **ADDITIONAL APPOINTMENTS AND MEMBERSHIPS**

---

- Columnist and Endocrinology ad-board member; *Medscape* and *WebMD*; *September 2017 - ongoing*

- Co-Chair, Marketing and Communication, Professional Section National Executive, *Diabetes Canada (formerly Canadian Diabetes Association -CDA)*; Oct 2016 - ongoing
- National Consultant Editor, *Canadian Journal of Diabetes (CJD)*; Oct 2015 - ongoing
- Councilor, *Diabetes Canada (formerly CDA) Clinical & Scientific Section Executive*; Oct 2014 – Oct 2016
- Co-author, *Diabetes Canada Clinical Practice Guidelines (CPG) 2018*
- Founder, “*STOP Diabetes*” *Foundation Inc.*; 2014-ongoing
- Member of CME planning committee for *iENDO* in Toronto; 2012-ongoing
- Chairman of Tariff committee of *Ontario Medical Association (OMA) Endocrine section*; 2011-2017
- Member of planning committee for city-wide *LMC endocrinology rounds*; 2011-ongoing
- Co-director of CME education committee, *North Indian Medical & Dental Association of Canada (NIMDAC)*; 2014-2016
- Chief fellow at Endocrinology fellowship program; Cleveland Clinic, OH; 2008-09
- Fellow representative of Internal Medicine internal review committee; Cleveland Clinic, OH; 2009
- Leader of epidemiology & statistics monthly endocrine journal club at Cleveland Clinic, OH; 2007-2009
- Leader of monthly Internal Medicine resident journal club at Hennepin County Medical Center in Minneapolis, MN; 2005-2007
- Active member of Canadian Diabetes Association (CDA), Canadian Society of Endocrine and Metabolism (CSEM), American Diabetes Association (ADA), European Association for Study of Diabetes (EASD), Ontario Medical Association (OMA), American Association of Clinical Endocrinologists (AACE)
- Graduate administrative assistant at School of Public Health, University at Albany, NY; 2002-2003
- Junior Residency (Externship) in Emergency Department, Government of Delhi Hospitals, New Delhi, India, Apr. 2001 to Jul. 2002
- Clinical Internship; Maulana Azad Medical College, New Delhi, India; Jan. 2000 to Jan. 2001
- Cinema secretary and member of cultural festival organizing committee at Maulana Azad Medical College in New Delhi, India; 1997-1998

---

### TEACHING

---

- Faculty and planning committee member , Endocrine neck ultrasound workshop at the *Canadian Society for Endocrinology and Metabolism/ Diabetes Canada Annual Professional* ; 2016-2017
- Guest Lecturer, Endocrinology fellowship program, McMaster University in Hamilton; 2013-present
- Guest Lecturer, Endocrinology fellowship program, University of Toronto; 2015
- Guest Lecturer, Endocrinology fellowship program, University of Western Ontario in London; 2014
- Staff leader of Endocrinology classroom program, teaching second-year medical students at Cleveland Clinic Lerner College of Medicine; 2007-2009
- Teaching assistant in Statistical Analysis Software (SAS) course at University of Albany School of Public Health; 2002-2003

---

### CERTIFICATIONS, FELLOWSHIPS AND LICENCES

---

2013	Fellow of American College of Endocrinology (FACE)
2011	Endocrine Certification in Neck Ultrasound (ECNU) from American College of Endocrinology (ACE)
2009	American Board of Internal Medicine certification (ABIM) in Endocrinology, Diabetes and Metabolism
2009	College of Physicians and Surgeons of Ontario (CPSO) certification
2009	Certification in Clinical Densitometry from International Society for Clinical Densitometry (ISCD)
2007	CITI certification course in Protection of Human Research Subjects
2007	American Board of Internal Medicine (ABIM) certification in Internal Medicine
2007	Ohio Medical Licensure
2004	BCLS/ACLS certification
2004	Minnesota Training Certification
2003	Education Commission for Foreign Medical Graduates (ECFMG) certification

### VOLUNTEER PUBLIC HEALTH EDUCATION ACTIVITIES

---

- Planning committee member, Healthy Communities Initiative of The Central West Local Health Integration Network (LHIN), City of Brampton, Region of Peel and William Osler Health System (Osler); 2016-ongoing
- TV show host for weekly “Your Health” health education program on Canadian South Asian Channel Y; January 2016-ongoing
- Radio show monthly on Parvasi radio (CJMR 1320); March 2016-ongoing

- Founder and Director of registered charitable organization “*STOP Diabetes*” *Foundation Inc.* which has a mission of helping public awareness on diabetes, especially focusing on South Asian community; 2014-ongoing
- Health expert: media (newspapers, radio and TV) appearances for public health education on prevention of diabetes; 2012-ongoing
- Leader of public awareness seminars on prevention and management of diabetes at health fairs in Brampton; volunteer with *Bramalea Community Health Center*; 2009-ongoing
- Leader of a public diabetes seminar at Gurudwara Dukh Nivaran in Surrey, BC; October 2017
- Guest speaker at public awareness seminar “Does sugar cause diabetes” organized by Dil walk Foundation, Calgary; February 2017
- Guest speaker at public awareness seminar on diabetes prevention organized by Apni Sehat Apni Parvah (ASAP), Montreal; December 2015
- Guest speaker at public awareness seminars on prevention and management of diabetes at workshops organized by *South Asian diabetes chapter of Canadian Diabetes Association*; 2013-14
- Leader of public education seminars on prevention of diabetes and obesity at events organized by *Peel Women Health and Social Service*; 2011
- Endocrinologist responsible for thyroid ultrasounds at *Women’s Health Fair* in Cleveland Clinic, August 2008
- Endocrinologist volunteer at *Camp Ho Mita Koda* for children with Type 1 Diabetes; June 2008
- Diabetes consultation education at Health Fair, Shiva Vishnu temple, Cleveland; 2007 and 2008
- Diabetes consultation education at Health Fair at Guru Gobind Singh Gurudwara of Greater Cleveland; 2008
- Organized *Red Cross* blood donation camp at School of Public Health, SUNY, NY; February 2004
- Participated in the Family Health Advisory Program as a medical student in New Delhi, India; 1995-1999

---

#### AWARDS & COMPETITIONS

---

November 2016                    LMC Diabetes & Endocrinology annual general meeting (AGM)  
*Excellence in Research award*

November 2013                    LMC Diabetes & Endocrinology annual general meeting (AGM)  
 Winner of “*Physician Rockstar*” award for clinical and research work

June 2009                            Cleveland Clinic graduation day  
 Second place winner of *William E. Lower clinical research award* among clinical house staff and post-doctoral research fellows for academic year 2008-2009

September 2008                    AACE and Cleveland Clinic’s 11<sup>th</sup> annual Endocrinology & Metabolism Board Review  
 Winner of “*Who wants to be an endocrine millionaire?*” contest among national Endocrinology fellows

May 2008                            American Association of Clinical Endocrinologists (AACE) 17<sup>th</sup> annual meeting  
 Winner of *Medical Jeopardy* contest among national Endocrinology fellows

June 2004-2007                    Hennepin County Medical Center graduation day  
 Winner of *EKG of the week* contest among Internal Medicine residents for three consecutive years 2004-2007.

June 2006                            Hennepin County Medical Center graduation day  
 Winner of *Ethics question of the week* contest among Internal Medicine residents for academic year 2005-2006

April 2006                            University of Albany School of Public Health student poster day  
 Winner of the *Health Research Inc. / David Axelrod Award for Excellence in Research* among all graduate student (Masters and PhD programs) participants in the field of Epidemiology

#### PEER-REVIEWED PUBLICATIONS (PUBMED CITED)

---

Bajaj HS et. al; *SGLT2 inhibitors canagliflozin and dapagliflozin, but not incretin agents liraglutide and sitagliptin, have AIC and weight independent beneficial effects on alanine aminotransferase (ALT) levels in non-alcoholic fatty liver disease associated with type 2 diabetes*; Submitted for publication

Bajaj HS, Zinman B; *Glucose lowering strategies for cardiac benefits: pathophysiologic mechanisms*; Submitted for publication *Am J Physiol Endocrinol Metab.* 2018

Bajaj HS et. al; *Biomarkers of Vascular Injury after Recent Glucose Intolerance in Pregnancy*; Accepted for publication *Diabetes and Vascular Disease Research* 2018

Mettam S, Bajaj HS et. al; *Modelling the EMPA-REG OUTCOME Study into Long Term Health Outcomes in a Canadian Population*; Submitted for publication

Dailey G, Bajaj HS et. al; *Insulin Glargine/Lixisenatide Fixed-Ratio Combination have similar Effects in North America and Rest of World Patients*; Submitted for publication

Khan T, Bajaj HS et. al; *Aspirin increases the risk of non-diagnostic yield of fine needle aspiration and biopsy of thyroid nodules*; Accepted for publication European Thyroid Journal 2018

Bajaj HS, Ye C, Jain E, Venn K, Stein E, Aronson R. *Glycemic Improvement with a Fixed-dose combination of DPP-4 inhibitor + metformin in patients with Type 2 diabetes (GIFT study)*. Diabetes Obes Metab. 2017 Jul 31 [Epub ahead of print]

Bajaj HS, Zinman B, Verma S; *Antihyperglycemic Agents and Cardiovascular Outcomes: Recent insights*; Curr Opin Cardiol. 2017; Jul 3 [Epub ahead of print]

Aronson R, Goldenberg R, Boras D, Skovgaard R, Bajaj HS. *The Canadian Hypoglycemia Assessment Tool (HAT) Programme: Insights into Rates and Implications of Hypoglycemia from an Observational Study*; Can J Diabetes; May 17, 2017 [Epub ahead of print]

Pandey AS, Bajaj HS, Garg V, Pandey A, Verma S. *The emerging role of proprotein convertase subtilisin/kexin type-9 inhibition in secondary prevention: from clinical trials to real-world experience*. Curr Opin Cardiol. 2017 May 26. [Epub ahead of print]

Woo V, Berard L, Bajaj HS, Ekoe JM, Senior P; *Considerations for Initiating an SGLT2 Inhibitor in Individuals with Type 2 Diabetes Using insulin*; Can J Diabetes; May 31, 2017 [Epub ahead of print]

Bajaj HS, Ye C, Hanley AJ, et. al; *Prior Lactation Reduces Future Diabetic Risk through Sustained Post-Weaning Effects on Insulin Sensitivity*. Am J Physiol Endocrinol Metab. 2017;312(3): E215-E223, Dec 13 2016. [Epub ahead of print]

Bajaj HS, Venn K, Ye C, et. al; *Least Glucose Variability and Hypoglycemia is Observed with the Combination of a GLP-1 Receptor Agonist and Basal Insulin (VARIATION study)*; Diabetes Care. 2017 Feb; 40(2): 194-200. Dec 2 2016. [Epub ahead of print]

Bajaj HS, Zinman B; *Steno 2 – a small study with a big heart*. Nat Rev Endocrinol. 2016 Dec;12(12):692-694.

Bajaj HS, Zinman B; *Cardiovascular Outcome Trials in Diabetes: Will the EMPA-REG OUTCOME and LEADER Trials Influence Clinical Decisions in Type 2 Diabetes?* Can J Diabetes. October 2016; 40 (5), 379–381

Bajaj HS, Venn K, Ye C, Aronson R; *Long acting insulin glargine titration web tool (LTHome) vs enhanced usual therapy of glargine titration (INNOVATE trial)*; Diabetes Technol Ther. 2016 Oct;18(10):610-615.

Bajaj HS, Aronson R, Venn K, Ye C, Sharaan ME. *The Need Associated with Diabetes Primary Care and the Impact of Referral to a Specialist-Centered Multidisciplinary Diabetes Program (the NADIR Study)*. Can J Diabetes. 2016;40(2):120-5.

Bajaj HS, Perera M, Anjana, R, et. al; *Comparison of relative waist circumference between Asian Indian and US adults*; Journal of Obesity, 2014;2014:461956.

Kashyap SR, Diab D, Baker A, Yerian L, Bajaj HS et al. *Triglyceride Levels and Not Adipokine Concentrations Are Closely Related to Progression of Nonalcoholic Fatty Liver Disease in Obesity Surgery Cohort*; Obesity (Silver Spring). 2009 Sep; 17(9):1696-701. Epub 2009 Apr 9

Bajaj HS, Brennan DM, Hoogwerf BJ, Doshi KB, Kashyap SR. *Clinical Utility of Waist Circumference in Predicting All-cause Mortality in a Preventive Cardiology Clinic Population: a PreCIS Data Base Study*; Obesity (Silver Spring) 2009 Aug; 17(8):1615-20.

Bajaj HS, Hilson S. *Obesity and the Risk of New-Onset Atrial Fibrillation*; Letter to Editor, Journal of American Medical Association (JAMA); Apr 2005;293(16): 1974-5

#### EXTRAMURAL INVITED ABSTRACTS & PRESENTATIONS

---

Bajaj HS et. al; GOAL-RCT: *Results from the first randomized trial comparing colesevelam vs. ezetimibe in type 2 diabetes*; Poster presentation; American Heart Association annual scientific session in Anaheim, US; November 2017

Bajaj HS et. al; DISCOVER: *A Prospective Investigation of Disease Management and Clinical Evolution of Second Line Therapies among Patients with T2DM: A First Look at the enrolled cohort in Canada*; Oral Presentation; Diabetes Canada annual professional conference in Edmonton; November 2017

Bajaj HS et. al; *Reduced Health Care Costs With Automated Basal Insulin Titration In Patients With Type 2 Diabetes*; Oral Presentation; Diabetes Canada annual professional conference in Edmonton; November 2017

Woo V, Bajaj HS et. al; *CANadian CANagliflozin REgistry (CanCARE) – A Prospective, Observational, Assessment of Canagliflozin Treatment in Type 2 Diabetes Mellitus (T2DM); Six Month Results*; Oral Presentation; Diabetes Canada annual professional conference in Edmonton; November 2017

Woo V, Bajaj HS et. al; *Changes in Treatment Patterns at Six Months of the CANadian CANagliflozin REgistry (CanCARE)*; Poster Presentation; Diabetes Canada annual professional conference in Edmonton; November 2017

Bajaj HS et. al; GOAL-RCT: 3 month results from a randomized trial comparing colesevelam vs. ezetimibe in type 2 diabetes; Poster Presentation; Diabetes Canada annual professional conference in Edmonton; November 2017

Bajaj HS et. al; GOAL-RCT: 3 month results from a randomized trial comparing colesevelam vs. ezetimibe in type 2 diabetes; Highlighted poster presentation; Canadian Cardiovascular Society annual professional conference in Vancouver; October 2017

Bajaj HS et. al; GOAL-RCT: 3 month results from a randomized trial comparing colesevelam vs. ezetimibe in type 2 diabetes; Poster presentation; European Association for the Study of Diabetes (EASD) 53<sup>rd</sup> Annual Meeting in Lisbon, Portugal; September 2017

Woo V, Bajaj HS et. al; *Baseline Characteristics and Initial Treatment Patterns of the CANadian CANagliflozin REgistry (CanCARE) – A Prospective, Observational, 12-Month Assessment of Canagliflozin Treatment in Type 2 Diabetes Mellitus (T2DM) in a Usual Clinical Practice in Canada*; Poster presentation; European Association for the Study of Diabetes (EASD) 53<sup>rd</sup> Annual Meeting in Lisbon, Portugal; September 2017

Bajaj HS et. al; GOAL-RCT: 3 month results from a randomized trial comparing colesevelam vs. ezetimibe in type 2 diabetes; Late-breaking Poster presentation; American Diabetes Association 77<sup>th</sup> annual scientific session in San Diego, US; June 2017

Bajaj HS et. al; *Biomarkers of Vascular Injury after Recent Glucose Intolerance in Pregnancy*; Poster presentation; American Diabetes Association 77<sup>th</sup> annual scientific session in San Diego, US; June 2017

Woo V, Bajaj HS et. al; *Baseline Characteristics and Initial Treatment Patterns of the CANadian CANagliflozin REgistry (CanCARE) – A Prospective, Observational, 12-Month Assessment of Canagliflozin Treatment in Type 2 Diabetes Mellitus (T2DM) in a Usual Clinical Practice in Canada*; Poster presentation; American Diabetes Association 77<sup>th</sup> annual scientific session in San Diego, US; June 2017

Seiber J, Bajaj HS et. al; *Reduced health care costs with automated basal insulin titration in patients with type 2 diabetes*; Poster presentation; American Diabetes Association 77<sup>th</sup> annual scientific session in San Diego, US; June 2017

Bajaj HS; *Hot Topics in Cardiology: Complex Cases*. Oral presentation; Canadian Cardiovascular Society, Toronto, ON June 2017

Bajaj HS; *Diabetes Technology, Pump, CBGM, am I going to be cured?* Oral presentation; 6<sup>th</sup> Annual Canadian Endocrine Review Course, London, ON; April 2017

Bajaj HS; Keynote Lecture: Where does insulin fit in the algorithm for treatment of Type 2 Diabetes in 2017? Oral presentation; 11<sup>th</sup> Annual Practical Issues in Cardiology, Endocrinology and Nephrology, Lakeridge Health, Oshawa, ON; March 2017

Seiber J, Bajaj HS et. al; *Reduced Utilization Of Health Care Provider Resources With Automated Basal Insulin Titration In Patients With Type 2 Diabetes*; E-Poster presentation; 10<sup>th</sup> International Conference on Advanced Technologies & Treatments for Diabetes; February 2017

Mettam S, Bajaj HS et. al; *Modelling the EMPA-REG OUTCOME Study into Long Term Health Outcomes in a Canadian Population*; Oral Presentation; Canadian Diabetes Association (CDA) Professional Conference in Ottawa, Canada; October 2016

Morison D, Bajaj HS et. al; *Endocrine neck ultrasound workshop*; Canadian Society for Endocrinology and Metabolism/ Canadian Diabetes Association (CDA) Professional Conference in Ottawa, Canada; October 2016

Bajaj HS; *Cardiovascular Outcome Trials in Diabetes – a 2016 Update*; Oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference at Niagara-on-the-lake, ON; October 2016

Bajaj HS et. al; *Canagliflozin and dapagliflozin, but not liraglutide, reduce Alanine Aminotransferase (ALT) levels in type 2 diabetes: a difference not explained by HbA<sub>1c</sub> or weight change*; Oral Presentation; European Association for the Study of Diabetes (EASD) 52<sup>nd</sup> Annual Meeting in Munich; September 2016

Seiber J, Bajaj HS et. al; *Reduced Utilization Of Health Care Provider Resources With Automated Basal Insulin Titration In Patients With Type 2 Diabetes* Poster presentation; American Diabetes Association 76<sup>th</sup> annual scientific session in New Orleans, LA; June 2016: Kelly Close Top 50 abstracts at ADA

Dailey G, Bailey TS, Bajaj HS et. al; *Insulin Glargine/Lixisenatide Fixed-Ratio Combination Outcomes Are Similar For North American And Rest Of World Type 2 Diabetes Population*: Poster presentation; American Diabetes Association 76<sup>th</sup> annual scientific session in New Orleans, LA; June 2016

Bajaj HS et. al; *Results of the randomized trial of long acting insulin glargine titration web tool (LTHome) vs enhanced usual therapy of glargine titration (INNOVATE trial)*; Poster presentation; 9<sup>th</sup> International Conference on Advanced Technologies & Treatments for Diabetes (ATTD) in Milan; February 2015

Bajaj HS et. al; *Patient satisfaction score changes in the randomized trial of long acting insulin glargine titration web tool (LTHome) vs enhanced usual therapy of glargine titration (INNOVATE)*; Poster presentation; 9<sup>th</sup> International Conference on Advanced Technologies & Treatments for Diabetes (ATTD) in Milan; February 2015

Bajaj HS et. al; *Higher rates of progression to dysglycemia among normoglycemic South Asian ethnicity compared to Caucasians in a secondary prevention cohort: a PRACTICE registry study*; Poster presentation; World Diabetes Congress 2015 – International Diabetes Federation, Vancouver; December 2015

Goldenberg R, Bajaj HS et. al; *The Canadian Hypoglycaemia Assessment Tool (HAT) Programme insights into the impact and cost of hypoglycaemia*; Poster presentation; World Diabetes Congress 2015 – International Diabetes Federation, Vancouver; December 2015

Bajaj HS et. al; *Shall We Temporarily Hold Blood-thinning Medications Prior to FNA of Thyroid Nodules?*; Oral presentation; 18<sup>th</sup> Canadian Society of Endocrinology and Metabolism (CSEM) annual conference in Vancouver; December 2015

Sharma E, Bajaj HS et. al; *Shall We Temporarily Hold Blood-thinning Medications Prior to FNA of Thyroid Nodules?*; Oral and poster presentation; 15<sup>th</sup> International Thyroid Congress (ITC) and American Thyroid Association (ATA) annual conference in Orlando, FL; October 2015

Bajaj HS et. al; *Deterioration of glycemic control in South Asians vs. White Caucasians with diabetes and concomitant coronary artery disease – analysis from the PRACTICE Registry*; Poster presentation; European Society of Cardiology Congress 2015 in London, United-Kingdom

Bajaj HS et. al; *Least Glucose Variability and Hypoglycemia is Observed with the Combination of a GLP-1 Receptor Agonist and Basal Insulin (VARIATION study)*; Oral presentation; American Diabetes Association 75<sup>th</sup> annual scientific session in Boston, MA; June 2015

Bajaj HS et. al; *Long acting insulin glargine titration web tool (LTHome) vs enhanced usual therapy of glargine titration (INNOVATE trial)*; Poster presentation; American Diabetes Association 75<sup>th</sup> annual scientific session in Boston, MA; June 2015

Gupta M,.. Bajaj HS; *High rate of progression to dysglycemia in a secondary prevention cohort over five years: findings from the PRACTICE Registry*; Poster presentation; American College of Cardiology (ACC) 64<sup>th</sup> Annual Scientific Sessions in San Diego, CA; March 2015

Miller K,.. Bajaj HS et. al; *Canagliflozin as Add-on to Antihyperglycemic Regimens in Patients With Type 2 Diabetes*; Poster presentation; American College of Osteopathic Family Physicians (ACOF) 52<sup>nd</sup> Annual Convention & Scientific Seminar in Las Vegas; March 2015

Bajaj HS et. al; *Long acting insulin glargine titration web tool (LTHome) vs enhanced usual therapy of glargine titration (INNOVATE) trial design*; Poster presentation; 8<sup>th</sup> International Conference on Advanced Technologies & Treatments for Diabetes (ATTD) in Paris; February 2014

Bajaj HS; *T2D Morning Talk Show - Optimizing Outcomes in Distinct Populations – South Asian Ethnicity*; Oral; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *New Insulin Glargine 300 U/ml: Glycemic Control and Hypoglycemia in Insulin Naïve People with T2DM (EDITION 3)*; Oral presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Least Glucose Variability is observed with the Combination of a GLP-1 Agonist and Basal Insulin among Four Commonly-used Insulin Regimen in Type 2 Diabetes (VARIATION study)*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Glycemic Improvement with DPP-4 inhibitor + metformin Fixed-dose combination in patients with Type 2 DM (GIFT study)*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Canadian Endocrinologists are Not Satisfied with Radiology Reporting of Diagnostic Neck ultrasound and US-guided Fine Needle Aspiration of Thyroid Nodules (Survey Report)*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Glycemic Control and Hypoglycemia with New Insulin Glargine 300U/mL in People with T1DM (EDITION 4)*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Efficacy and Safety of Canagliflozin Across a Range of Treatment Paradigms Used in Patients with Type 2 Diabetes Mellitus*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Insulin vs GLP-1 Receptor Agonist as First Injectable Therapy in Primary Care*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *ABC Goal Attainment in Type 2 Diabetes Mellitus Patients in US Primary Care*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Bajaj HS et. al; *Popularity of Sulfonylureas in Real-World Practice: Perspective from Diabetes Forward*; Poster presentation; 17<sup>th</sup> CDA annual conference in Winnipeg, MB; October 2014

Goldenberg R, Cheng A, Bajaj HS et. al; *American Diabetes Association 73<sup>rd</sup> Scientific Section 2014 Update: Perspectives from 3 Canadian Endocrinologists*; Review; Canadian Diabetes Association Clinical & Scientific Section (C &SS) Connect Newsletter, Volume 3 Issue 2, September 2014

Bajaj HS et. al; *Least Glucose Variability is observed with the Combination of a GLP-1 Agonist and Basal Insulin among Four Commonly-used Insulin Regimen in Type 2 Diabetes (VARIATION study)*; Poster presentation; European Association for the Study of Diabetes (EASD) 50<sup>th</sup> annual meeting in Vienna, Austria; September 2014

Bajaj HS et. al; *Glycemic Improvement with DPP-4 inhibitor + metformin Fixed-dose combination in patients with Type 2 DM (GIFT study)*; publication at American Diabetes Association 74<sup>th</sup> annual scientific session in San Francisco, CA; June 2014

Bajaj HS; *Medication Non-Adherence in Chronic Disease: The GIFT of Getting More with Less*; Oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference at Deerhurst, ON; October 2014

Bajaj HS et. al; *Insulin Workshop: Administration, Initiation to Intensification*; Oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference at Deerhurst, ON; October 2012

Bajaj HS; Scientific update; *DPP-4 Inhibitors and Cardiovascular Events: Implications of the SAVOR and EXAMINE Trials*; Review; Canadian Diabetes Association Clinical & Scientific Section (C &SS) Connect Newsletter, Volume 2 Issue 2, January 2014

Bajaj HS; *Latest Advances in Individualizing Treatment for Patients with Diabetes: "SGLT-2 Inhibitors: A Novel Class of Agents and Its Role in Type 2 Diabetes"*; Oral presentation at Primary care update in Ottawa, ON; November 2013

Bajaj HS et. al; *Endocrinologist performed ultrasound-guided fine needle aspiration of thyroid nodules in Toronto*; oral presentation; Oral presentation; 16<sup>th</sup> CDA annual conference in Montreal, QC; October 2013

Bajaj HS et. al; *Once-daily Lixisenatide in Combination With Basal Insulin ± Oral Antihyperglycemic Agents in Patients With Type 2 Diabetes Selectively Reduces Postprandial Hyperglycemic Daytime Exposure*; poster presentation; 16<sup>th</sup> CDA annual conference in Montreal, QC; October 2013

Bajaj HS et. al; *Therapeutic Efficacy of Lixisenatide Added to Basal Insulin is Greater When FPG is Well Controlled*; poster presentation; 16<sup>th</sup> CDA annual conference in Montreal, QC; October 2013

Bajaj HS (presenter); *Empagliflozin as Add-On to Basal Insulin for 78 Weeks Improves Glycemic Control with Weight Loss in Insulin-Treated Type 2 Diabetes (T2DM)*; poster presentation; 16<sup>th</sup> CDA annual conference in Montreal, QC; October 2013

Bajaj HS (presenter); *Empagliflozin improves blood pressure in patients with type 2 diabetes (T2DM) and hypertension*; poster presentation; 16<sup>th</sup> CDA and Vascular annual conference in Montreal, QC; October 2013

Bajaj HS; *Thyroid ultrasound and fine needle aspiration workshop for endocrinologists*; Endocrinology division rounds, McMaster university; October 2013

Bajaj HS; *Common pitfalls of thyroid disease management in primary care*; oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference at Niagara on the lake, ON; October 2013

Bajaj HS et. al; *Endocrinologist performed ultrasound-guided fine needle aspiration of thyroid nodules in Toronto*; oral presentation; 2<sup>nd</sup> World Congress on Thyroid Cancer in Toronto, ON; July 2013

Bajaj HS et. al; *The Need Associated with Diabetes Primary Care and the Impact of Referral to a Specialist-centered Multi-disciplinary Diabetes Program (NADIR study)*; Poster presentation; 22<sup>nd</sup> AACE annual conference in Phoenix, AZ; May 2013

Bajaj HS et. al; *The Need Associated with Diabetes Primary Care and the Impact of Referral to a Specialist-centered Multi-disciplinary Diabetes Program (NADIR study)*; Poster presentation; 15<sup>th</sup> CDA annual conference in Vancouver, BC; October 2012

Bajaj HS; Clinical Focus: *Type 2 DM management and the role of incretin therapy*; Review, The Medical Post – October 9, 2012

Bajaj HS; *Update in PCOS; Osteoporosis workshop*; oral presentations; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference at Deerhurst, ON; October 2012

Bajaj HS; *Early and Aggressive treatment of Type 2 Diabetes*; eNewsletter development for mdBriefCase Inc. and the Canadian Society of Endocrinology and Metabolism (CSEM), published July 2012

Bajaj HS; *Insulin and injection barriers*; eNewsletter development for mdBriefCase Inc. and the Canadian Society of Endocrinology and Metabolism (CSEM), published March 2012

Bajaj HS; *What is new in Diabetes Mellitus?*; oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference in Niagara Falls, ON, October 2011

Bajaj HS; *Postmenopausal Osteoporosis – the silent thief!*; oral presentation - Medicine noon conference, William Osler Health System in Brampton, ON; September 2011

Bajaj HS; *Bridging the Gap of Diabetes management in South Asian population*; oral presentation; Canadian Association of Physicians of Indian Heritage annual conference in Toronto, ON; September 2011

Bajaj HS; *Impaired fasting glucose or Impaired Glucose Tolerance: Shall we Treat?*; Review; LMC Clinical Practice Update: August 10, 2011

Bajaj HS; Clinical Focus: *Diabetes in the South Asian Community*; Review; The Medical Post - July 12, 2011

Bajaj HS; *Management of thyroid nodules in pregnancy – use of ultrasound technology by Endocrinologists*; Oral presentation; Toronto-wide Clinical Endocrine Rounds; March 2011

Bajaj HS; *Incretin therapy for treatment of type 2 Diabetes. Gastroparesis – clinical features and management*; oral presentation; Canadian Diabetes Association Toronto West Chapter; March 2011

Bajaj HS; *Is treating type 2 Diabetes just about glycemic control?*; oral presentation; Manitoba Association of Asian Physician's Winter Symposium; February 2011

Bajaj HS; *Evidence-based Goals of Diabetes Management*; oral presentation; North Indian Medical and Dental Association of Canada (NIMDAC) annual conference in Niagara on the lake; October 2010

Bajaj HS; *Endocrinology Update 2010*; oral presentation - Medicine noon conference - Humber River Regional Hospital in Toronto, ON; May 2010
