

The balanced plate

Here's how to put together a healthy, balanced meal!

Fill ½ of your plate with vegetables

- Choose non-starchy vegetables
- Fresh, frozen or cooked are all healthy!
- Aim for a variety of colours and textures

Fill ¼ of your plate with carbohydrates (starches)

- Choose whole grains
- Aim for a high fibre content
- Avoid refined starches like white bread, crackers, and rice cakes

Fill ¼ of your plate with protein foods

- Choose plant-based proteins more often
- Have fish 1-2 times weekly
- Limit red meat to 1-2 meals/week

In general:

- Aim for whole foods instead of processed foods
- Cook at home as often as you can
- Eat slowly and enjoy every bite
- Include healthy fats in your diet, like olive oil, canola oil, and nut butters
- Use herbs & spices to flavor your food instead of salt
- Choose water, club soda, and plain tea/coffee to drink
